Fingerplay Fun!

Little Duck

I am a little duck that goes quack, quack, quack.
(*Make hand be duck's mouth and it quacks*).
And I've got lots of feathers on my back, back, back.
(*Wave hands near bottom to indicate tail feathers*).
And when I go down to the lake,
I wiggle and I wobble and I shake, shake, shake.
(*Wobble and shake around like a duck*).
And when I go to sleep at night,
(*Pretend to be sleeping with hands as pillows*).
I close my eyes very tight.
But in the morning when I wake,
I wiggle and I wobble and I shake, shake, shake.

Here are some things for kids to do outdoors:

- *Kids are natural “collectors.” They love to gather things such as acorns, pine cones, small stones, leaves, and twigs. These are “treasures” for a child.
- *Children love to pretend to be camping under a tent made from an old sheet or blanket. Provide some old pots, pans, and some unbreakable dishes and spoons.
- *Discoveries such as bugs and worms are exciting finds for a child.
- *Sticks and stones can provide hours of fun.
- *Trees, bushes, flowers, and weeds are other outdoor things to explore.
- *Young children learn best from their senses, when they can see, smell, and touch things.
- *Children can be loud when they are outdoors. They can laugh, yell, and shout.
- *When outdoors, children can run, play, and climb on things. They can throwballs and roll down a hill. There are so many interesting things to do outdoors!

Nursery Rhyme Time!

Three blind mice! See how they run!
They all ran after the farmer's wife,
Who cut off their tails with a carving knife.
Did you ever see such a thing in your life
As three blind mice?
